WHAT IS THE CAREER CRUISING PARENT PORTAL?

The Career Cruising Parent Portal is a centralized dashboard that allows you to keep in touch with your son or daughter's career development and education planning. As the parent or guardian of a child with a Career Cruising account, you can:

View your child's goals, interests, achievements, and experiences

Track your child's plans and progress

Provide feedback to your child and his or her teachers and advisors

Receive messages from your child's school

Explore Career Cruising to learn more about career and education options

How do I access the Career Cruising Parent Portal?

In order to create a Parent Portal account, you will need an activation code. The activation code should be 8-characters long, including both letters and numbers, e.g. A1b2C3d4. An activation code can only be used once. You can obtain an access code in one of two ways:

- 1. From your child's school:** You can request one from your child's teacher or advisor.
- 2. From your child:** Your son or daughter can send you an email invitation with an access code. (Please note: Some schools may have deactivated this option. If that is the case, please contact your child's school for an activation code.)

Once you have received your **activation code**, you can create your account at:
